

## ANTIBODIES TO WESTERN EQUINE ENCEPHALITIS VIRUS (WEEV)

<u>Austin, Stephen, Diamond, Michael, VanBlargan, Laura</u> <u>Poranki, Deepika</u>

T-019128

Antibodies against Western Equine Encephalitis Virus (WEEV)

Inventors demonstrated the antibodies reactivity with WEEV-infected cells or with WEEV proteins. These antibodies can be used for diagnostic and potentially therapeutic purposes.
